**Subject:** Thank you for your performance on World Refugee Day

Dear Ms. Jopling,

I would like to express my deep gratitude and appreciation for generously supporting UNHCR during the celebration of World Refugee Day 2022 in Cairo, Egypt. Your performance was the highlight of that evening and highly appreciated by the many personalities, government officials and diplomats who attended the event. You will be glad to know that the feedback received from the guests has been overwhelmingly positive: all of them said how great and enjoyable your performance was.

In reiterating my sincere thanks and that of my UNHCR colleagues, I would like to express the keen interest of UNHCR to continue to work closely with you and your Foundation in the next few months. Together, we can greatly contribute to support the cause of refugees and other forcibly displaced persons in Egypt and beyond.

*Many thanks,*

Sincerely yours,

Pablo Mateu
